Welcome to WebLink

WebLink is an online module that allows you to view your portfolio and daily account transactions as well as create reports and view your online statements. Access to your investment portfolio is available 24/7. The **minimum** browser versions currently supported are:

- Internet Explorer 11
- Chrome 62.0
- Firefox 57.0
- Edge 40
- Safari (Mac) 11
- Opera 47.0

Optimal viewing resolution is either 800x600 pixels or 1024x768 pixels with at least 32,768 colors. However, WebLink style sheets and fonts are developed to minimize the impact of high resolutions and changes in browser or desktop fonts.

PLEASE REVIEW YOUR SETTINGS AND CHANGE THEM ACCORDINGLY TO ENSURE THE CONTENT DISPLAYS CORRECTLY.

Given the importance and sensitivity of the confidential financial information delivered via WebLink; and to maintain the security and stability provided by supported the various internet browsers, we encourage you to move to Chrome or Edge due to Microsoft's impending retirement of IE 11.

Disclaimer: WebLink may not be compatible with cellular phones or tablets. WebLink can be accessed, however, not all of the features are optimized on these devices.

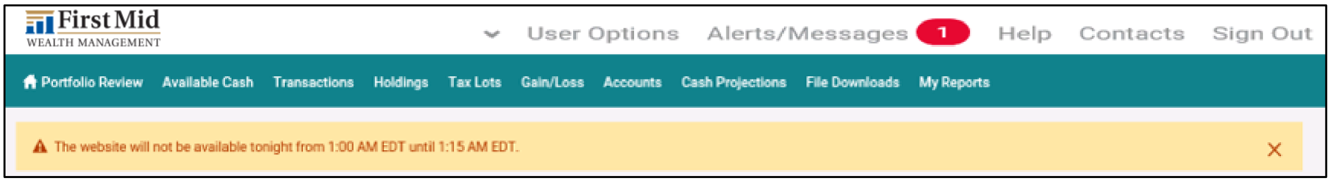
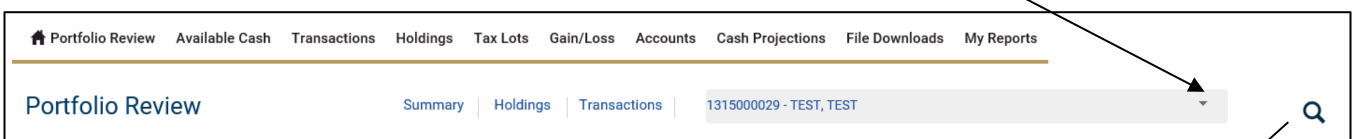
WebLink Menu Tabs - Reports



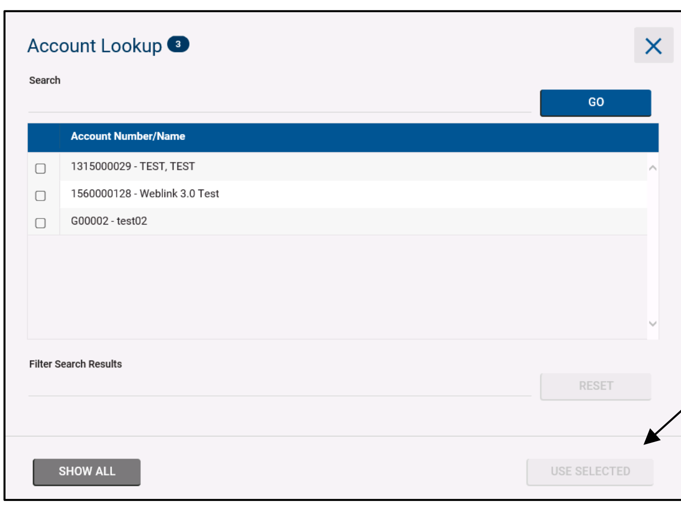
The shaded section of the WebLink Toolbar provides access to your authorized WebLink menus.

Your home (landing) page, is automatically defaulted to the Portfolio Review report. However, as mentioned under User Options - Start Page, you can select any of the available reports within the basic menu tab to be your home (landing) page upon login to WebLink.

If you have access to more than one account, click on the expansion arrow in the upper right-hand corner, of any report, to see a list of the accounts to which you have access. The ten accounts you have used most recently will list first.



You may search for additional accounts you have access to by using the Look Up button . To access these other accounts, simply click on the account number you wish to view and then click on Use Selected.



Portfolio Review

The Portfolio Review report displays three sections on a single page. Links bring the user directly to the section that has been selected.

- Account Summary
- Holdings
- Transactions

Summary section includes Asset Allocation, Market Value, Account Summary, and Investment Summary. You can now change your view to *Group By* Investment Category, Industry Sector or Security Type.

Asset Allocation displays asset %, based on the Group By selected. This section is suppressed if any balances are negative. You can group by Investment Category, Industry Sector or Security Type.

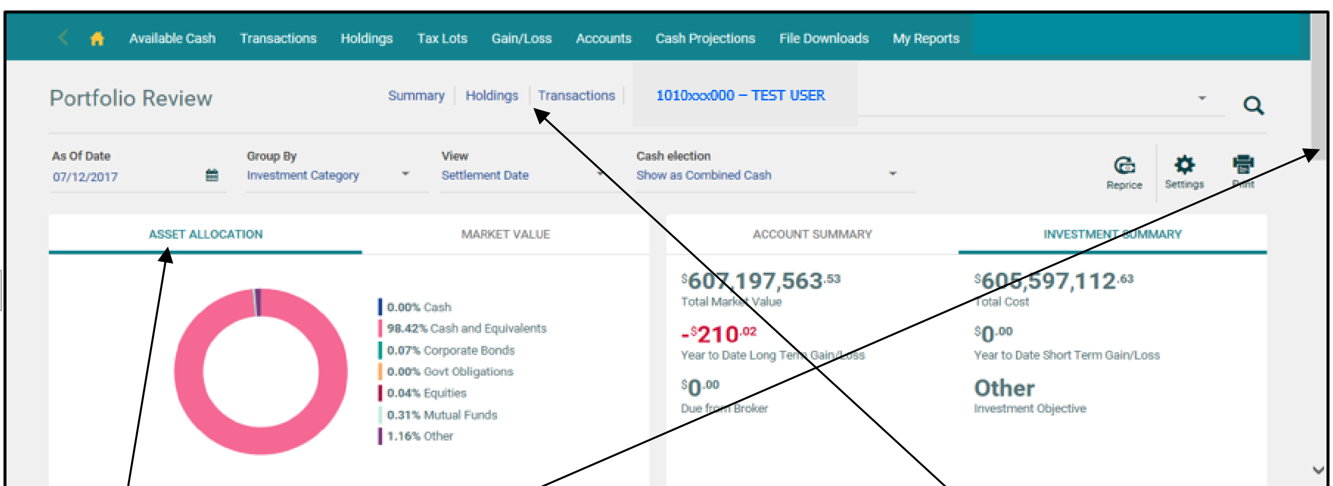
Market Value displays as a bar graph, based on the Group By selected.

Account Summary displays Investment Segment (Category), Market Value, % of Total and Cost. You can sort this section by Investment Category, Industry Sector or Security Type.

Investment Summary displays Total MV, Total Cost, Gain/Loss, and depending on your Institution's WebLink Admin settings you may also see Due to/from Broker, Investment Objective, and Investment Authority.

The top section shown below, allows you to choose specific criteria for this report:

- **As-of-date** – defaults to current date, you can choose an earlier date using the Calendar Lookup
- **Group By** – use the drop down to select how to group your holdings
- **View** – Trade or Settlement Date
- **Cash election** – choose to display as Combined cash or breakout of Principal and Income cash



The **bar highlight** displays Asset Allocation, Market Value, Account Summary, Investment Summary. Click on each to view that section.

Use the **scroll bar** to the right to move down the report to view Holdings and Transactions or **click** the selection at the top of the report.

At the very top of the report, you can click on **Holdings** to move directly to the Holdings Section of Portfolio Review report without scrolling down.
