Adding Your First Mid Checking or Savings Account to Plaid

1. If you are trying to add your Checking or Savings account to an app, the app may use a secure, third-party site that verifies bank account information. While you are in the app, a message will appear that tells you what third-party site it uses. If the app uses Plaid, click **Continue.**

If you are a Small Business or Commercial customer, skip down to the Small Business & Commercial Customer section of this guide.

App Name uses **Plaid** to connect your account

Connect effortlessly
Plaid lets you securely connect your financial accounts in seconds

Your data belongs to you
Plaid doesn't sell personal info, and will only use it with your permission

By selecting "Continue" you agree to the **Plaid End User Privacy Policy** and **SMS terms**

Continue

2. An **Instant Bank Verification** message will display. Choose **Next.**

Instant Bank Verification

We use **Plaid** to verify your bank account info, and periodically check the balance to see if there's enough money to cover transactions.

You can turn off Venmo's use of **Plaid** by removing the bank account.
